Hi Cynthia,

I saw your note over the holidays about the AOC being added to SEMS. Per Andrea's email below, it looks like she took care of that at the beginning of December. The AOC with the bates numbering is attached. Andrea's email references SDMS numbers for the attachments to the AOC.

Attached is a copy of the final CFAC RI/FS AOC that was issued yesterday. The attachments are too voluminous to include but are in the records center under SDMS numbers 1719918 through 1719921.
